253, 220, 60, 64, 70,
LR 9

PRESIDENT: Motion fails. Do you have some things to read in the record, Mr. Clerk?

(Speaker Luedtke presiding)

CLERK: Mr. President, there are no further amendments pending. There are some amendments pending.

SPEAKER LUEDTKE: Senator Goodrich moves to raise the call. All in favor vote aye, opposed vote nay to raise the call. Has everybody voted? Record the vote.

CLERK: 30 ayes, 1 nay, Mr. President.

SPEAKER LUEDTKE: Call is raised.

CLERK: Mr. President, I have some reports to read in.

SPEAKER LUEDTKE: Proceed to read the reports.

CLERK: (Read reports found on page 410 of the Journal). Mr. President, I move to place LB 69 on General File notwithstanding the action of the Committee. Signed, Senator Koch. That will be laid over. Mr. President, your Committee on Judiciary, to whom was referred LB 60, instructs me to report the same to General File, 64 General File and 70 indefinitely postponed. Signed, Senator Barnett, Chairman. Mr. President, your Committee on Public health gives notice that LB 179 has been advanced to General File. Signed, Senator Moylan. LR 9, calling for an interim study, on the State Board of Nursing, its functions and operations will be referred to the Executive Board. That's all, Mr. President. A motion on the desk.

SPEAKER LUEDTKE: I'm going to recognize Senator Dworak before that motion. Senator Dworak.

SENATOR DWORAK: Mr. President, Mr. Speaker, colleagues. Yesterday, on LB 220, I raised a procedural objection. I don't want this to become an impediment to the legislation moving one way or the other. In the spirit of fairness I'd like to request that this objection be removed. I think that it served its purpose and there is no sense in tying up legislation over procedural points. I'd like to ask unanimous consent to withdraw my objection.

SPEAKER LUEDTKE: That's on 220?

SENATOR DWORAK: Yes. I'd like to withdraw my objection.

SPEAKER LUEDTKE: If there's no objection.

SENATOR DWORAK: It appears it put us into a procedural bind where it's difficult to move or maneuver with this objection being stated so I'd like to remove it there by clearing the way for our normal procedure.

SPEAKER LUEDTKE: We would, for just this moment, go back to 220 just for that purpose. We're not going to go on 220 now, but just for the purpose of giving you a chance to withdraw your objection. Are there any objections on 220? If not, so ordered. We'll now revert back to...motion on the desk.

CLERK: Mr. President, we now have a series of amendments. Mr. President, Senator Newell offers the following amendment. (Read amendment).

SPEAKER LUEDTKE: Senator Newell, the Clerk just advises me that your amendment is not clear and that it refers to committee amendments that were rejected.
